TERRANEA RESORT ~ RANCHO PALOS VERDES, CA

JOINTLY SPONSORED BY

Dear Colleagues:

The 2015 KASS Annual Meeting will mark KASS's 10TH Anniversary! We hope that members and new attendees alike will join us so that it's our best attended and most dynamic event yet. We will be honoring the KASS founding surgeons (Casey K. Lee, MD, Howard S. An, MD, Hae-Dong Jho, MD, PhD, Hyun Bae, MD, William W. Choi, MD, S. Tim Yoon, MD, PhD and Kee D. Kim, MD), inviting special keynote lectures, and incorporating a new format for the scientific program.

Highlights of the program include:

- ◆ Topics and tips that you can apply in your practice immediately.
- ◆ Sessions on an array of deformity and cervical spine disorders.
- ◆ Informative lectures on health care systems, outcomes, and cost management.
- ◆ A new format for more in-depth hands-on technique workshops.

This special 10th Anniversary KASS Annual Meeting will be held July 9-11, 2015 at the Terranea Resort in Rancho Palos Verdes, CA. We were last at Terranea in 2011 and 2012, and it's a perfect venue to spend time with your colleagues and your family! Learn more about Terranea at <http://www.terranea.com>. We have an outstanding rate of \$270 per night for this luxury resort, plus a discounted \$10 resort fee.

We hope that you, and your family or a guest, can join us in California next July for this memorable meeting!

EDUCATIONAL OBJECTIVES

As a result of this activity, the participant should be better able to:

- ◆ Discuss and evaluate treatment options for common cervical spine disorders, including cervical trauma, cervical stenosis, and cervical deformity.
- ◆ Discuss and evaluate treatment options for adult and pediatric spinal deformity.
- ◆ Summarize recent advances in minimally invasive spine surgery.
- ◆ Describe and debate current issues in health care systems, outcomes, and cost management.

MISSION

KASS's founding surgeons, Casey K. Lee, MD, Howard S. An, MD, and Hae-Dong Jho, MD, PhD, formed the society to share their passion for spine care, as well as to promote and share their passion for their culture. KASS's mission is to further spine care through social, academic, and cultural exchange.

WHO SHOULD ATTEND?

This activity has been designed to meet the educational needs of orthopaedic and neurological surgeons, fellows, and residents involved in the care of patients with spinal disorders.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Medical Education Resources (MER) and the Korean American Spine Society (KASS). MER is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION

Medical Education Resources designates this live activity for a maximum of 11.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

JOINT PROVIDERSHIP

This activity is jointly provided by Medical Education Resources, Inc., a non-profit medical education company and the Korean American Spine Society.

COMMERCIAL SUPPORT

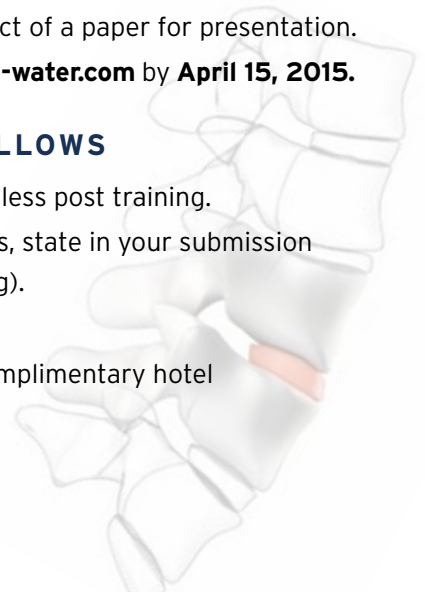

Various medical companies have been invited to exhibit at this course. Full disclosure of financial and other types of support will be disclosed in the course syllabus materials.
